FILE HEADING.

Supply of medicine chests for the use of the touring officers of the ~~Mines~~ Dept. of Mines & Explosives.

From

The chief Inspects of Mines in Madras.

No. 456 Dated 16-11-21 Received 19-11-21

Diary No. 2543	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Requests that arrangement may be made for the supply of four portable medicine chests class (C) for the use of the touring officers of the dept, the cost being met from the general Savings of the dept.

NOTES AND ORDERS.

✓

In the statement appended to the Govt order of 5th April 1921, eight medicine chests of class C and six chests of class B are stated to be required by the Director of Mines & Geology. (probably meant for Director, Dept of Geology).

In the Geological dept there are ~~1 director~~

3 | The Inspector of Explosives has already one medicine chest of class C. As ordered above there is no need to supply one more medicine chest to the Explosives Branch

3 | The chief Inspector of Mines requested at first that four chests might be supplied for the use of touring officers of the Dept of Mines & Explosives. When the Director of Geology was requested to state whether any of the chests supplied to his dept might be spared for being transferred to the Mines Dept, he reported that as the number of officers would be increased shortly owing to the confirmation of the Probationers, it would not be possible to spare any chests.

3 | Besides the 8 chests of class C supplied for the use of officers, six chests of class D have also been provided to the Geol Dept for the use of Fieldmen when employed.

3 | The Director of Geology has since recommended that the services of the six Fieldmen maybe terminated at once and also that the services of three probationers maybe dispensed with effect from 30-6-22 with a view to reduce expenditure in the Dept. There are at present only 6 officers in the Geological Dept of whom one is on leave & another in other duty so that it is for orders whether any of the chests of class C maybe transferred to Mines Dept for the use of the Inspectors of Mines. In the Mines Dept there are the chief Inspector of Mines, one Asst

His Highness the Maharaja of Mysore,
General Department, B A N G A L O R E.

SIR,

With reference to G. O. No. G. 18715-74 Med. 80-16-32, dated 5th April 1921, regarding the supply of medicine chests to Government officers, I have the honour to request you to be so good as to arrange with the Senior Surgeon in Mysore for the supply of 4 portable medicine chests, class "C", for the use of the touring officers of the Department of Mines and Explosives. Now that this Department is an independent one, it is desirable that it should have separate sets of medicine chests for its own use. It is not known whether any of the medicine chests provided for the Director, Department of Mines & Geology, in the statement attached to the above G. O., are also intended for the use of this Department; none received.

Sanction may kindly be accorded to meet the cost of the medicine chests out of the general savings of the Department.

I have the honour to be,

Sir,

Your most obedient servant,

R. Bocquet.

CHIEF INSPECTOR OF MINES
IN MYSORE.

To

S. Hiriannaiya, Esq., M.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department,
BANGALORE.

SIR,

In reply to your letter No. I.C.4297/Geol. 50-21-6 dated 7th February 1922, copy of which was sent to the Inspector of Explosives for information, I have the honour to state that that officer reports the necessity of undertaking tours in out-of-the-way places on inspection work extending for a sufficiently long period many miles off the beaten track and beyond the easy reach of Dispensaries, so that it is advisable to have an adequate supply of medicines, ready at hand, both in the interests of the touring officer and his staff.

The Inspector of Explosives asks that he may be furnished with a "B" class portable chest of medicines and that the "C" class chest in his possession may be replenished and handed over to the Explosives Probationer, on confirmation in the Explosives Branch of this Department.

I have the honour to be,

From

B. JAYA RAM, ESQUIRE, F.G.S.,
Director, Mysore Geological Department.

REV. SECTT
JUN 1922

To

S. Hiriannaiya, Esqr., M.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department,
Bangalore.

Sir,

With reference to your letter No.5911 Geol.50-21-12, dated 26th May 1922, enquiring as to whether two medicine chests of Class C, out of the 8 sanctioned for this Department, cannot be transferred for the use of the Mining Department, I have the honour to invite your attention to my last letter on the subject No.1173, dated 17th January 1922, and to state that, unless I know what staff is going to be permanently kept on in the Department, it will not be possible to say whether any of the chests could be spared.

I have the honour to be,

Sir,

Your most obedient servant,

B. Jaya Ram

Director,

Mysore Geological Department.
